

INTERNAL SSD

Transform your PC with our **Hyundai SSD**

SPECIFICATIONS

Capacity:	120/240/480/960 GB
NAND Flash:	3D TLC
Form Factor:	SATA III 6 Gb/s
Seq. Read (up to):	500/500/550/560 MB/s
Seq. Write (up to):	320/400/470/480 MB/s
Rnd. Read (up to):	60/61/63/76 K
Rnd. Write (up to):	70/73/76/76 K
Terabytes Written (TBW):	40/80/160/320 TBW
MTBF:	2,000,000 Hrs.
Operating Temperature:	0° C ~ +70° C
Module Type:	2.5 inch Internal SSD
Series:	SAPPHIRE
Device Type:	Internal SSD
Unit Height:	7 mm
Size:	100*70 mm
Weight:	41 gr
Warranty:	5 Years

The Hyundai SSD ensures the integrity and quality of your data even during heavy workloads. The 2.5 inch SSD is ideal for most desktop and notebook PCs. With outstanding read/write speeds, our Hyundai SSD can easily handle high-intensity tasks such as video editing, data analysis and gaming.
